

**Lavishly elegant and refined, ready for an extravagant retirement.**

A wide variety of units are available to select from at Oostvallei. One, two and three bedroom units varying in size from 97 square meters to 275 square meters for the larger three bedroom units. All have lock-up garages that are either freestanding or coupled to the unit. The advantage of the freestanding garage is that it creates a private garden between the unit and the garage.

All units have private professionally landscaped gardens which are maintained by the gardening staff at the village. All the units at Oostvallei are on ground level with private patios and gardens. Oostvallei offers a luxurious home on ground level, surrounded by nature, in a private garden that is taken care of for you.

- *Here people really care – it is a community that is supportive of each other.*
- *Oostvallei is a luxury retirement lifestyle estate in the sought after new east of Pretoria.*

- *Professional landscaping has created a garden paradise.*
- *Enjoy peaceful, carefree living in a private environment.*
- *At Oostvallei you don't only maintain your current lifestyle standards, but here you can even improve it!*
- *Only Oostvallei offers what no other Retirement Village offers – lifelong service and peace of mind.*
- *Indigenous gardening turns Oostvallei Retirement Village into a birding paradise.*
- *Senior citizens experience convenience and emotional security at Oostvallei.*

Feel free to [visit us on site](#) to view some of the units on show.
